Sep 20, 2015 – Dec 7, 2015

Contributions to master, excluding merge commits

Contributions: **Commits** ▾

Deployment: <http://doublejump-rbaten.rhcloud.com/>

Auto-doc: <https://github.com/psevery/csci3308/tree/master/docs>

- Used JSDoc as it was one of the few options available that natively supported JavaScript code. Note that JSDoc only supports outputting in a HTML format. We manually created PDFs from the HTML which is also in the github under “docs”.
